DWA_03.5 Knowledge Check_DWA3.2

_____

1. User story(ies) in Gherkin syntax for the "+" button.

Feature: Tally Count increase button
  As a user
  I want to be able to increase the count
  So that I can keep track of the number I am on

Scenario: Increment count using the + button
  Given I am on the tally counting app
  When I click on the + button
  Then the count should increase by 1
  And the updated count should be displayed

_____

2. User story(ies) in Gherkin syntax for the "-" button.

Feature: Tally Count decrease button
  As a user
  I want to be able to decrease the count
  So that I can keep track of the number I am on

Scenario: decreasing the count using the - button
  Given I am on the tally counting app
  When I click on the - button
  Then the count should decrease by 1
  And the updated count should be displayed
